Intro: | G5 | G5/A | Cadd9 | Dsus4 | (x2)

G A7  
Well, she was an American girl  
C D  
Raised on promises  
G A7  
She couldn't help thinkin' that there was  
C D  
A little more to life somewhere else  
D G  
After all it was a great big world  
C Am  
With lots of places to run to  
D  
And if she had to die tryin' she  
D C  
Had one little promise she was gonna kee- -eep

D  
O yeah, all right  
G  
Take it easy, baby  
Em  
Make it last all night  
C D  
She was an American girl

G A7  
Well it was kind of cold that night,  
C D  
She stood alone on her balcony  
G A7  
Yeah, she could hear the cars roll by  
C D  
Out on 441 like waves crashin' on the beach  
D G  
And for one desperate moment there  
C Am  
He crept back in her memory  
D  
God it's so painful when something that's so close  
D C  
Is still so far out of rea- -each
